

Unlimited SharePoint migration

The smartest way to manage multiple SharePoint migrations
Powerfull and user-friendly platform, nothing to install and ready to use!

SHAREPOINT MIGRATION GOES UNLIMITED

Above and beyond limits

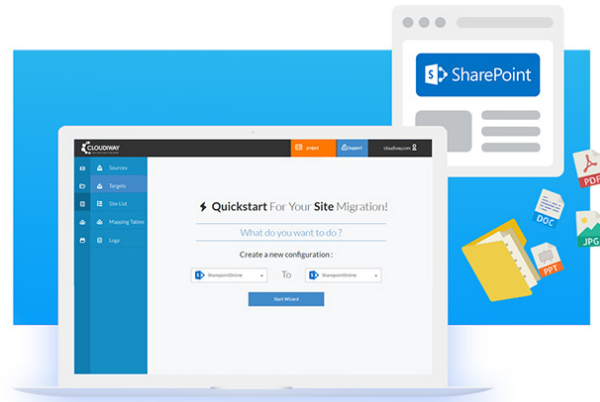

Coudiway's unlimited SharePoint solution has been created with a unique goal to push technical limitations out of the way for more business flexibility.

Redefining the process

We focus on making your everyday tasks and processes fully automated to make collaborative sites migration easier.

Ultimate tool for partners

The complete set of features is designed to remove complexity and offers great performance. The perfect solution to make a smooth transition to the cloud within short timelines.

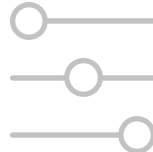

Easy steps to reduce time spent on integration
& project set up by more than 60%

STEP 1 Pre-Migration Audit

User-friendly interface to audit your environment and generate detailed, reports on your SharePoint architecture, data size, users, workflows, site activity levels & lots more.

STEP 2 Migration

Set your migration path from SharePoint and start moving content with full fidelity in real time, or schedule it in batches.

STEP 3 Monitoring

Post-migration is an important step to monitor your migration status and adjust your configuration. This remediation phase is great to solve issues and ensure high data fidelity.

SUPPORTED SYSTEMS
