Customer

The Gaelic Athletic Association is Ireland largest sporting organization based at Croke Park. GAA promotes Gaelic games such as Hurling, Football, Handball and Rounders ...

GAA wanted to move its users, mails, web and collaborative sites toward Microsoft Office 365.

Partner

Ergo is an IT integrator based in Ireland. Ergo has provided IT solutions and services to the private and the public sector for over 20 years, through the use of technology.

Testimony

“It’s very hard to explain just how successful the migration project is currently. Particularly when you consider the scale, data size, time constraints.”

Declan Fanning, head of IT GAA

“...It has been a pleasure working with CloudiWay and I hope to work with you guys a lot more.”

Sean O’Farrel, Senior Consultant Engineer Ergo

“Migration of all of the data from the existing Google system to Office 365 for 8,300 users which went live on a phased basis from the 3rd December to the 16th December.”

Derek Kehoe, Sales Director Ergo
